Service Learning Project Presentation & Progress Report Guidelines

Dear Students,

As part of the **Continuous Assessment (CA-2)** for the **Service Learning (SL) Course**, a **Mid-Semester Review** will be conducted to evaluate the **progress of your project activities**. Students are required to **present the work completed so far and submit a progress report** to the concerned internal mentor.

The objective of this review is to **monitor project progress, assess student engagement with the community/NGO, and provide guidance for the successful completion of the remaining project work.**

1. Presentation Guidelines

1.1 Presentation Format

- The presentation should be prepared in **PowerPoint (PPT) format**.
- Each **group must present collectively**, and **every student must explain their individual contribution** to the project.
- The presentation should focus on **progress made so far rather than the final outcomes**.

1.2 Suggested Presentation Structure

Students are advised to include the following sections:

1. **Title Slide**
    - Project Title
    - Name of NGO / Community Partner
    - Names and Roll Numbers of Group Members
    - Name of Internal Mentor

2. **Introduction**
   - Background of the project
   - Social issue being addressed
3. **Objectives of the Project**
   - Clearly state the main goals of the project. Objectives should explain what the group intends to achieve through the project activities.
4. **Profile of the NGO / Community Partner**
   - Provide brief information about the NGO or community organization, including:
   - Name of the NGO
   - Main activities or mission
   - How the NGO is supporting your project?
5. **Problem Identification**
   - Description of the issue identified during field visits
6. **Activities Conducted So Far**
   - Field visits
   - Community interaction
   - Surveys or awareness programs conducted
7. **Individual Contribution**
   - Roles and responsibilities of each group member
8. **Preliminary Observations / Findings**
   - Briefly mention **key observations or early findings** from the activities conducted so far.
9. **Challenges Faced During the Project**

- Describe any **difficulties or challenges encountered** during field visits, surveys, or community interaction.

10. **Future Plan**

    - Outline the **planned activities for the remaining duration of the project**, such as additional field visits, awareness programs, data analysis, or final report preparation.

1.3 Photographic Documentation (Mandatory)

- Students must include **sufficient geo-tagged photographs** of field visits and project activities conducted so far.
- The photographs should clearly show:
    - Field visits and site observations
    - Interaction with community members or NGO representatives
    - Activities conducted during the project
- Each photograph should preferably include the location, date, and a brief caption describing the activity shown in the image.
- These photographs will serve as **evidence of field engagement and project progress**.

1.4 Presentation Rules

- **Presentation Duration:** Each group will be allotted **15 minutes for presentation (approximately 5 minutes per member)**, followed by a brief question–and–answer **session with the internal mentor**.
- **Participation:** All group members must be **present and actively participate in the presentation**.
- **Slide Design:** Slides should be **well-structured, concise, and visually clear**.
- Avoid excessive text; use **charts, images, and bullet points** where appropriate.

- Students must be **prepared to answer questions related to their project progress and individual contributions**.

2. Progress Report Preparation Guidelines

2.1 Report Structure

Students are required to prepare a **progress report documenting the work completed up to the mid-semester stage of the Service Learning project**. The report should include the following sections:

1. **Cover Page**
2. **Acknowledgement**
3. **Introduction**
4. **Objectives of the Project**
5. **Profile of the NGO / Community Partner**
6. **Problem Identification**
7. **Activities Conducted So Far**
8. **Preliminary Observations / Findings**
9. **Individual Contribution of Each Group Member**
10. **Challenges Faced**
11. **Future Work Plan**
12. **Annexure (Supporting Documents)**

2.2. Photographic Evidence in the Report

- The progress report must include **adequate geo-tagged photographs** as evidence of the field work conducted during the project.
- These photographs should be included in the **Annexure section** of the report.
- Each photograph must clearly indicate:
    1. **Date of the activity**
    2. **Location information (geo-tag)**
    3. **A brief caption describing the activity performed**
- These photographs will serve as **supporting documentation for verification of the Service Learning activities carried out by the students**.

2.3. Report Formatting

Students should follow the formatting guidelines given below while preparing the report:

1. **Font:** Times New Roman
2. **Font Size:** 12
3. **Line Spacing:** 1.5
4. **Margins:** Normal (1 inch on all sides)
5. **Page Numbers:** Mandatory
6. **Recommended Length: 8–15 pages (Progress Report)**

2.4. Important Instructions

1. All group members must **actively participate in the project activities, presentation, and preparation of the progress report**.
2. The presentation and report should **reflect actual field work and genuine engagement with the community or NGO**.
3. **Plagiarism or copied content is strictly prohibited.**
4. Students must maintain **proper documentation of project activities, including geo-tagged photographs and activity records**.
5. The progress report must be submitted to the concerned internal mentor at least one day prior to the Mid-Semester Review.

2.5. Evaluation Criteria (Mid-Semester Review)

Since this is a **Mid-Semester Review**, the evaluation will focus on the **project's progress rather than its final outcomes**. Students will be assessed based on the following parameters:

1. **Understanding of the identified social issue**
2. **Progress made in project activities**
3. **Level of engagement with the NGO / community partner**
4. **Quality of field work and documentation**
5. **Individual contribution of each group member**
6. **Clarity and effectiveness of the presentation**
7. **Future action plan for successful completion of the project**
